

# Gangster Rivalries

## Program Overview

Step back in time to the roaring 20's, a free wheeling decade where gangsters fought for control of alcohol sales and Speak Easies were everywhere full of illegal alcohol and gambling.

The event begins by distributing a gunny sack of props, fedoras, feather boas and glitzy necklaces to be adorned by all gangsters to get them in the mood.

Throughout the room are **Gangster Challenge Stations** where our experienced **Activity Coordinators** await the teams to provide guidance and direction. They'll try their luck at gambling tables, test their abilities at the shooting range and bury a mobster and more! Which team will rise above the rest to become the Ultimate Gangsters? It will take more teamwork than skill to be successful.

To wrap up the event we have a competition that will bring the whole group together cheering and laughing and feeling exhilarated.
