

High 5 Golf Mania

Team Building for a Cause

Program Overview

The challenge is for each team to build their best possible golf hole using a wide variety of food items and assorted materials supplied. Teams will also be given a chance to win bonus materials to add to the complexity of their holes by competing with and against other teams in various interactive challenges.

Once the course is complete, some team members will play the course while others play hosts at their hole to instruct, assist and monitor players. Playing the course is not as easy as it looks as each hole has a particular rule for playing to add to the fun and entertainment!

The diversity in golf holes can be amazing and adds to the entertainment of the overall course. Even non-golfers will be entertained as we guarantee these golf holes won't necessarily require skill!

Following the program the food items are collected in food bank bins giving everyone a true sense of giving and the food bank sends a thank you letter with the total weight of your donation!

Benefits

- ◆ Team work
- ◆ Creative thinking
- ◆ Cooperation
- ◆ Decision making
