

Team Bowling

Program Overview

High 5's **Team Bowling** is much more than just bowling so much that even experienced bowlers may find it challenging.

Although we utilize local bowling alleys we don't use them quite like they were intended. Our program requires participants to work as a team in many different aspects and they're also challenged to work with other teams to achieve common goals.

We intersperse lively breakouts in-between frames to get the whole group interacting, laughing and feeling energized. This is a bowling team experience like no other!
