High 5 Olympics

Teams challenge each other in various events which are organized so that at each event teams will challenge a different team so that they have a chance to interact with all teams at numerous times.

At every event, they rack up points for tackling a bunch of wacky challenges! It's the first Olympic-style showdown that doesn't demand a lifetime of sweat and tears—just bring your team spirit and you're in!

At the grand finale, we throw a medals ceremony to cheer everyone's epic wins!

Every team member is involved in some capacity but no one is ever forced to do something they are not comfortable with. Teams not only work together but are also required to work with other teams as well to be successful!
