Team Bowling

High 5's Team Bowling is much more than just bowling so much that even experienced bowlers may find it challenging. Although we utilize local bowling alleys we don't use them quite like they were intended.

Our program requires participants to work as a team in many different aspects and they're also challenged to work with other teams to achieve common goals. We intersperse lively breakouts in-between frames to get the whole group interacting, laughing and feeling energized.

This is a bowling team experience like no other!

This program is a great way to mix a group of bowlers and non-bowlers as we even the playing field by adding in various challenges.
